

# 6th Grade Camp Sponsorship and Donation Form - Business

Sponsored and Managed by:

In Partnership with:

Thank you for your time and consideration for the sponsorship or donation to this program that has impacted the Mayville School District 6th Grade Class for 40+ Years. This year, there has been a passing of the torch for the Mayville 6th Grade Camp Director as Terri Fuller has decided to retire. Terri has touched so many with this program and we hope to continue that legacy well into the future. Joshua Butler and Courtney Renderman have been named the Co-Directors for the 2023-2024 6th Grade Camp Program. We are excited to announce we have established a non-profit 501(c)(3) organization called Mayville Friends of Camp Inc., to fund and support 6th grade camp for Mayville Elementary School and their outdoor science education program.

## ***What is Mayville's 6th Grade Camp?***

The entire 6th Grade Camp is taken to Camp Anokijig, located in Plymouth, WI, about an hour away from Mayville. Students, teachers and other camp staff stay at camp Monday-Friday, including overnight, and have three meals per day, snack breaks and nightly entertainment. During the week the students attend environmental education classes which include: Forestry, Water Study, Horseback Riding, Outdoor Survival, Fishing Techniques, Geology, Adaptations, Predator/Prey, and more. These classes follow the 6th grade curriculum. The classes provide opportunities for campers to meet professionals in environmental education. Memories made during camp week last a lifetime! Ask any Mayville 6th Grade Camp Alumni about their favorite camp memories. More information can be found on our website <https://www.mayvillefriendsofcampinc.com/>

## ***How much does it cost?***

6th Grade camp costs about \$35,000 per year, on top of what the school district covers. In past years, 6th Grade families sold magazines, cookie dough, wrapping paper and other products to raise funds for camp. This year, our fundraising will include two fundraising events, grants, scrip and donations from families, friends, community members and businesses.

***How can you help us?*** Become a Friend of Camp in the following ways:

**Camper Donations & Sponsorships:** The family of a camper is required to raise \$400 to send their student to camp. Donations and sponsorships help us cover the remaining balance needed to be fully funded for camp.

**T-shirt Advertisement:** Advertisement on the back of our camp shirts and advertised at our fundraising events.

**Other:** We are always looking for other ideas and opportunities to support our events and programs. Let us know how you can help. Examples: advertisements for events, volunteering at events, professional services etc.

Thank you so much for considering supporting our mission and helping all Mayville 6th Graders experience camp!

# Mayville 6th Grade Camp Sponsorship and Donation Form

Thank you for your support of the Mayville Friends of Camp Inc. 2024 6th Grade Camp! Your donation or sponsorship to our non-profit 501(c)(3) organization helps defray the cost of camp to each family and invites you to become involved in the community. All funds raised will go towards camp expenses. More information and to donate online, visit our website <https://www.mayvillefriendsofcampinc.com>. All sponsors will be listed on our website.

## **Please select your level of support and send this sheet back to us with your donation**
